

Recycling Collection Calendar 2023-24

Collection changes this year

This year there's three public holidays falling on weekdays that will affect our kerbside collections that week - Christmas, New Years Day and Good Friday.

My collection day is:

Blue

For each day coloured blue, that kerbside collection will move to the next day, e.g. Thursday collections happen on Friday, Friday collections happen on Saturday.

Step 1:

Find your yellow lid recycling bin week (week 1 or 2) from the sticker on the side of your bin.

Step 2:

Find where your yellow lid recycling bin week is on the calendar below.

Week 1

Week 2

Step 3:

Please alternate the glass bin collection week with the yellow lid recycling bin week.

Note: The food scraps* and red lid rubbish bins are collected any week.

Take on the kerbside challenge

We've diverted over 3700 tonnes* of material from landfill in the last year.

How much can we do next year?
Let's work together to reduce waste and increase recycling.

*from 1 July 2022 projected to 30 June 2023.

KA PAI
TEAM!

Never forget your bin day again

For reminder notifications straight to your mobile each week, make sure you download the Antenno app - available on the App Store and Google Play.

You'll receive an alert the day before your scheduled bin day to remind you what bin to put out (plus other Council information if you wish).

It's super easy to set up - no login details required, and it's free!

Download now using the QR code link:

Pay-as-you-throw tags (PAYT)

If you'd like your red lid rubbish bin collected, you'll need to purchase a pay-as-you-throw (PAYT) tag. This gives you the choice of how much waste you put out for collection and helps reduce the amount of rubbish going to landfill.

A reminder for property managers of holiday homes in the Western Bay - please let your visitors know the requirements of PAYT tags.

Remember to correctly fix your PAYT tag to your bin to ensure a smooth collection.

To find a PAYT stockist near you visit us online:

Putting your bins out

Note: Only Western Bay of Plenty District Council branded bins will be emptied.

Do not overfill
Lids must close properly
Lids must open towards the street

Contents must not spill over top edge of glass crate

30cm distance around large bins

Remember, put bins out by **7am** on collection day

PAYT tag must be on rubbish bin to be collected

Clear space in front of large bins
