A fantastic first year!

In the first year of Kerbside Collective we have diverted **3,300 tonnes** from landfill.

This is almost double the amount we predicted - or the equivalent of about **31 blue whales**.

Ka pai whānau, let's keep it up!

Never forget your bin day again

For reminder notifications straight to your mobile each week, make sure you download the Antenno app - available on the App Store and Google Play.

You'll receive an alert the day before your scheduled bin day to remind you what bin to put out (plus other Council information if you wish).

It's super easy to set up - no login details required, and it's free!

Pay-as-you-throw tags (PAYT)

If you'd like your red lid rubbish bin collected, you'll need to purchase a pay-as-you-throw (PAYT) tag. This gives you the choice of how much waste you put out for collection and helps reduce the amount of rubbish going to landfill.

A reminder for property managers of holiday homes in the Western Bay - please let your visitors know the requirements of PAYT tags.

Remember to correctly fix your PAYT tag to your bin to ensure a smooth collection.

To find a PAYT stockist near you visit us online:
