

# Recycling Collection Calendar 2026-27

## Collection changes this year

This year there are three public holidays falling on weekdays that will affect our kerbside collections – Christmas Day, New Year’s Day and Good Friday.

**Teal** For each day coloured teal, that kerbside collection will move to the next day. i.e. Friday collections will happen on Saturday.

My collection day is:

### Step 1:

Find your yellow lid recycling bin week (week 1 or 2) from the sticker on the side of your bin.

### Step 2:

Find where your yellow lid recycling bin week is on the calendar below.

### Step 3:

Please put your blue glass bin out on alternate weeks to your yellow lid bin.

You can put your food scraps\* and red lid rubbish bins out any week.

# Never forget your bin day again

For reminder notifications straight to your mobile each week, make sure you download the Antenno app - available on the App Store and Google Play.

You'll receive an alert the day before your scheduled bin day to remind you what bin to put out (plus other Council information if you wish).

# Pay-as-you-throw tags (PAYT)

If you'd like your red lid rubbish bin collected, you'll need to purchase a pay-as-you-throw (PAYT) tag. This gives you the choice of how much waste you put out for collection and helps reduce the amount of rubbish going to landfill.

A reminder for property managers of holiday homes in the Western Bay - please let your visitors know the requirements of PAYT tags.

Remember to correctly fix your PAYT tag to your bin to ensure a smooth collection. To find a PAYT stockist near you visit us online:

# Putting your bins out

Only Western Bay of Plenty District Council branded bins will be emptied.

Do not overfill, lids must close properly and open towards the street.

Liners not to be used in the food bin.

Clear space in front of all bins.

Put bins out by **7am** on collection day

A compliant PAYT tag must be correctly attached to rubbish bin to be collected.

30cm distance around large bins.

Contents must not spill over top edge of glass crate.
